Thank you. It looks like Peter is going to get a question on CA at tomorrow's House Energy and Commerce Committee hearing. The hearing is on algal toxins, but Rep. McNerney's office has raised it.

Subject: R9 Communication Strategy

Hi Ron,

While the attached Communication Strategy is certainly subject to further change, it provides a fairly comprehensive picture of the CA UIC situation. Note that it is a confidential, internal document, but also contains some key messages that we are using in external discussions.

Let me know if you have any questions.

Thanks,
David
